TECHNICAL DATASHEET

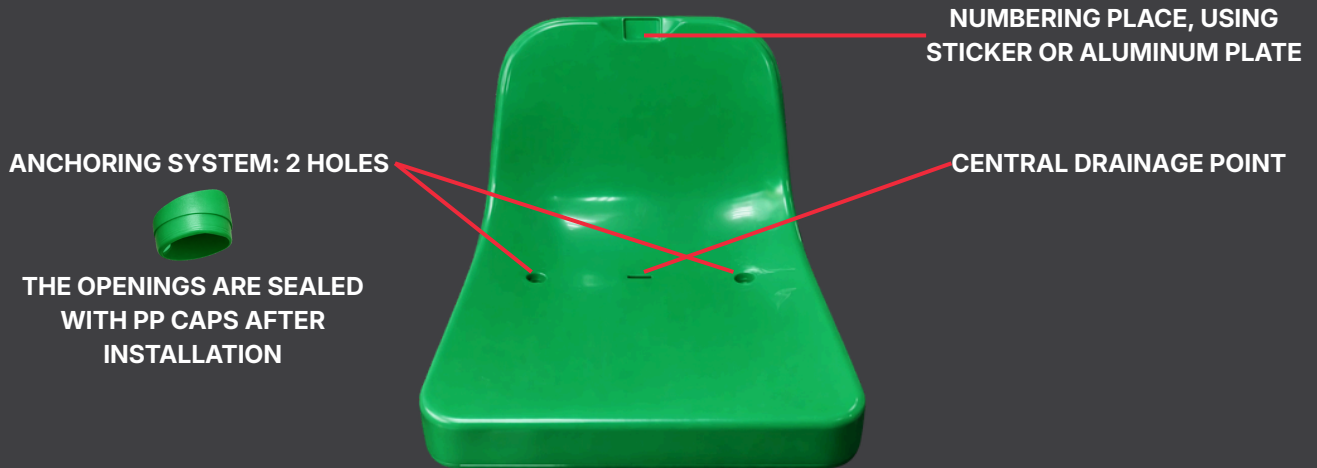

5-YEAR
WARRANTY

All MATANAH products are backed by our comprehensive manufacturer warranty.

MT-2043

REINFORCED CORNER DESIGN
ALLOWS QUICK INSTALLATION AND
KEEPS THE SEAT SECURELY FIXED

MT-2043

DESCRIPTION

Product Overview

The **MT-2043** Stadium Bleacher Seat is engineered to deliver an optimal balance of durability, safety, and comfort, making it a reliable seating solution for modern stadiums, arenas, grandstands, and large-capacity venues. Designed for high-traffic environments, the MT-2043 combines lightweight construction with robust structural performance to ensure long-term usability in both indoor and outdoor applications.

Key Features & Technical Highlights

Material & Manufacturing

- Manufactured using high-pressure injection molding
- Premium UV-stabilized polypropylene (PP)
- High resistance to scratches, vandalism, and daily wear
- UV additives protect against color fading and material degradation

Dimensions & Weight

- Width: 42 cm
- Depth: 46 cm
- Height: 35 cm
- Weight: 1.8 kg
- Lightweight design reinforced for continuous heavy use

Ergonomic Design

- One-piece monoblock construction
- 35 cm contoured backrest for lumbar support
- Ergonomically shaped profile enhances seating comfort
- Rounded edges improve user safety in high-traffic areas

Surface Finish

- Textured glossy finish
- Resists scratches and surface wear
- Maintains visual quality over prolonged use

Durability & Structural Strength

- Reinforced with internal structural ribbing
- Designed to withstand intensive usage in stadium and bleacher environments
- Suitable for outdoor exposure with long-term performance stability

Installation & Drainage

- Fixing through two anchoring points
- Compatible with concrete risers and steel structures
- Integrated central drainage outlet prevents water accumulation

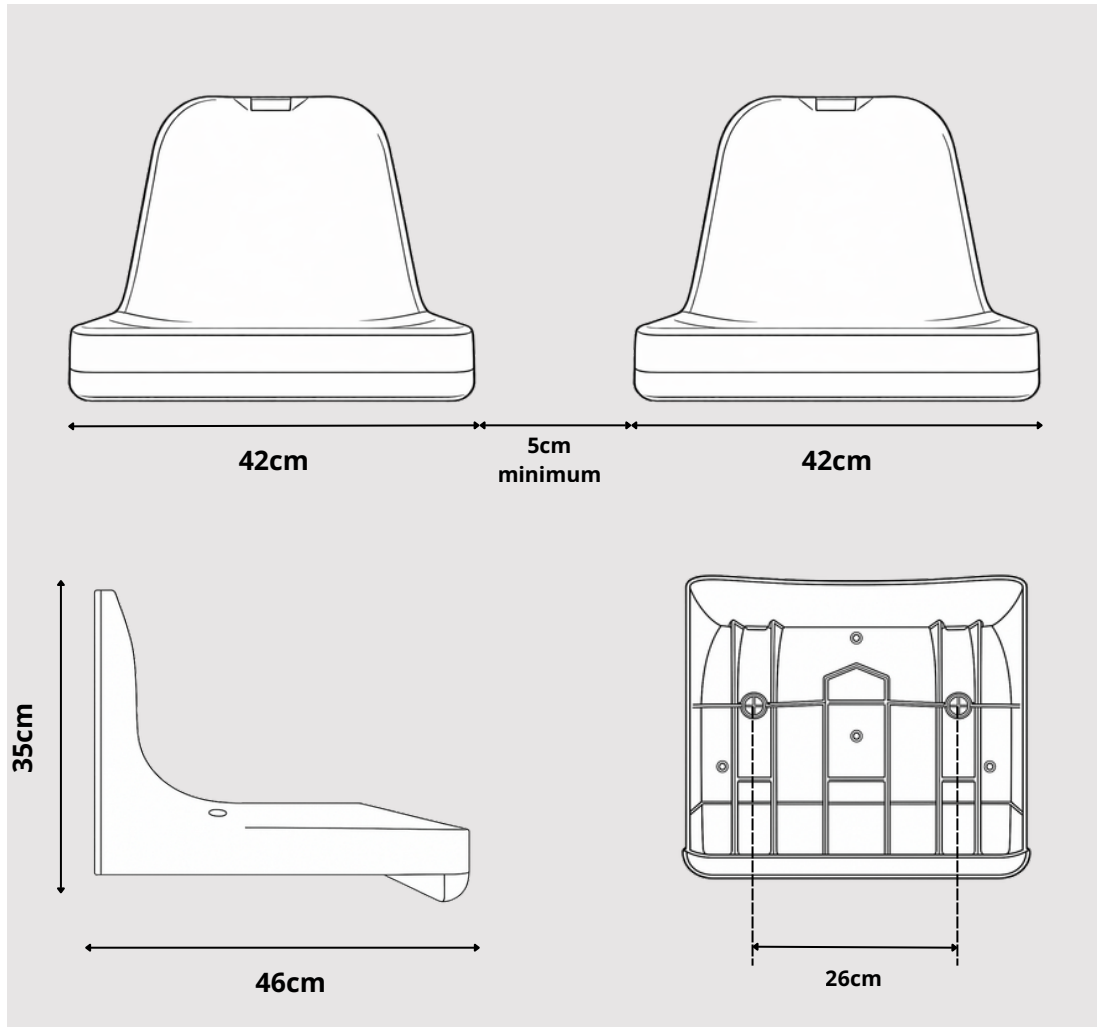

Standards & Warranty

- Low maintenance requirements for long-term operational efficiency
- Optimized for reduced installation time and lifecycle costs
- Backed by a 5-year manufacturer warranty covering color fading, material defects, and manufacturing defects

MT-2043

DIMENSIONS

STANDARDS & WARRANTY

- Manufactured from UV-stabilized Polypropylene
- 5-year manufacturer warranty covering color fading and material & manufacturing defects

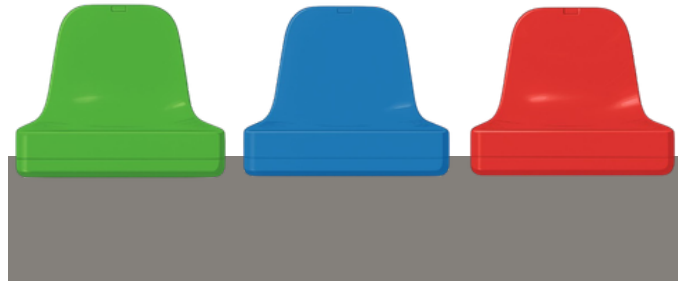

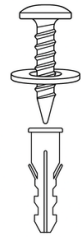

MT-2043

INSTALLATION

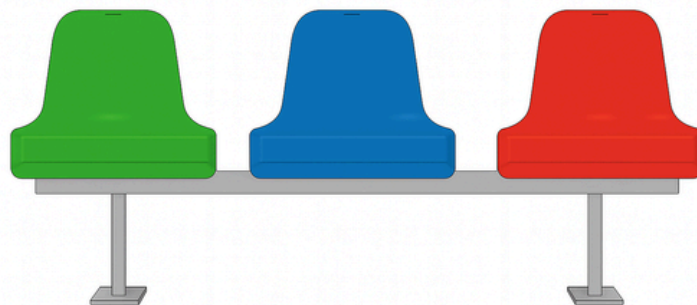

Concrete:

Installation is carried out using two anchoring points. Each point requires: one 6 mm screw, one 8 mm wall plug (fischer), and one flat washer sized M6.

Metal Stands:

Installation is carried out using 2 anchoring points. Each anchoring point requires one bolt, one nut, and one washer with sizes determined by the hole dimensions provided.
